

Biography Unit Project Timeline

- ☑ Journaling: every time you read from your book, you are expected to use your literature journal to write down your responses to your book. You may include:

- questions
- predictions
- interesting facts
- how you think the character is feeling
- how the book makes you feel
- anything that helps you make sense of the book

Every time you read, write the date and the page numbers read in your journal. Responses can be in words and pictures.
