Briefly share one positive experience from this week

I have this one boy who always makes sure that he comes up and gives me a hug at the end of each day.

Briefly share one problem or negative experience. Do you want assistance in dealing with this?

I just have these 2 boys that do not listen to anything anyone has to say. I finally just sent one out the the hall way to work. But then he didn't do anything just sat there all mad.

Do you have any other comments, questions or needs?
