

Educ 470: Content Area Literacy Practicum Possibilities

Directions: Cooperatively select a minimum of 7 of the following practicum possibilities with your cooperating teacher within the first week of beginning the practicum. Indicate your choices with a check in the "Selected" column. Upon completion of the activity, place another check in the "Completed" column. Have the cooperating teacher sign the contract to indicate completion of all target activities.

<u>Selected</u>	<u>Completed</u>	<u>Practicum Activity</u>
_____	_____	1. Complete an observation form for a period spent in the content area classroom. (tool)
_____	_____	2. Compute the readability level for an expository text and compare to the intended grade level. (tool)
