

Instructor's Evaluation of Students in ED101, ED201 and PSY210

Now that the semester is about to close and you have had the opportunity to get to know your students, please consider your opinion of each student's potential for success as a classroom teacher. Give an evaluation of each student on each of the 4 factors listed below.

Instructor's Evaluation of Students in ED101, ED201 and PSY210

Now that the semester is about to close and you have had the opportunity to get to know your students, please consider your opinion of each student's potential for success as a classroom teacher. Give an evaluation of each student on each of the 4 factors listed below.
