

TED Cohort Analysis
 Students registered during 201220
 2012.06.13
 Limited to STI and STII events, excluding VIDEOSE forms

See Chart Below.	Notes: These scores represent average evaluation scores for students ONLY during the student teaching semester. Cohort indicates the term in which students began their studies at CUNE. In this particular example, the 2011 cohort consists of only 3 students who transferred to CUNE during the 2011-2012 academic year.
