Briefly share one positive experience from this week

We went to a play at Morningside on Friday as a class. It was fun to see the kids in a different environment!

Briefly share one problem or negative experience. Do you want assistance in dealing with this?

On Thursday it rained and there was a funeral at the church so the gym was taken up and the kids had to have recess in a classroom playing games. They had a lot of energy and needed to go run outside

Do you have any other comments, questions or needs?
