

Concordia University, Nebraska

Student Teaching Evaluation

<http://wp.cune.edu/studentteaching/files/2011/07/ST-Evaluation-FF.pdf>

This evaluation is completed twice by the cooperating teacher and the university supervisor for each of the student teaching placements. The final evaluation for each placement becomes part of the candidate credential file.

Statements 17 and 18 under Leading are the teacher performance areas that relate to diversity – both racial/cultural and educational.
