<p>I conduct lots of meetings with perspective elementary students and their families. I follow up these meetings with hand written notes.</p> <p>I have lots of visitors in my Ed 201 class. I am very intentional about meeting the students and their families and making them feel welcome and a part of what is going on in class that day.</p> <p>I supervise student teachers in local elementary schools. I have purposeful visits with administrators of the schools to build connections with CU.</p>	<p><b>Number of Advisees: 18</b></p> <p>SOAP reports are completed regularly.</p> <p>Work with a group of CU girls who help contribute to the St Johns Purity Retreat. We meet regularly in the fall as this event is planned.</p> <p>Personal mentoring of students... mostly future career related as students are deciding if teaching is for them.</p> <p>I attend sporting events of students I have in class.</p>	<p>I have been very purposeful about adding more technology into my instruction. I want to model technology integration to our pre-service teachers so they see the value in this practice in their future classrooms. I have used Blackboard, Wikispaces, and do extensive technology projects with students. Next year I plan to add the use of Google Docs, SpiderScribe mind mapping, WordPress, and iPads.</p> <p>I have collaborated with Angie Wassenmiller about these technology integration projects on a regular basis.</p>	<p>I presented at the Tech Edge Technology conference in Lincoln, Ne.</p>

<p>Regular worship at St Johns. I help maintain the food pantry there, along with other members of a former Christcare Group. I Co-Chair a purity retreat for 9<sup>th</sup> grade girls.</p> <p>I took a group of students to Doane College to hear Jonothon Kozol speak about education reform. I attended and presented at the Tech Edge Conference in Lincoln.</p>	<p>I purposefully engage in conversations with students about their activities, sports, music, etc before and after class. Building relationships is important to me!</p>	<p>I have collaborated with Janelle Uffleman on several “big picture” elementary program issues that are “under construction.”</p>
