During the last week of each non-core course, students complete the Narrative for the assigned Core Standard:

3					x	x	x		
4									x
4a								x	
4b		x							
4c			x						
4d					x	x	x

Instructors will grade the student narrative using the following rubric:

- 1- Needs Improvement
- 2- Meet Expectations
- 3- Exceptional

Students have the option of resubmitting their narrative once if the score is a 1 or 2.

Instructors make a list of the student names and scores for the narrative and then send it to the EC Program Director to be posted in the Blackboard Portfolio Repository. Scores are added when the student has completely submitted their work in the Repository.

Students completing a Core Standard for core courses should post their work in the Blackboard Repository without instructor review. The EC Program Director will assign submissions the rubric score of 2.
