The Christian Teacher Diploma (CTD) is granted to students who have met all requirements for the teacher education program, have a teaching degree, and are eligible for a teaching license in the State of Nebraska. Students seeking this diploma have indicated an interest in serving as teachers in Christian schools that are not associated with The Lutheran Church—Missouri Synod and must apply to the CTD program. All students receiving the CTD are required to take a minimum of six hours of 300 or 400 level theology or philosophy courses.

Concordia Association for Students in Education (CASE) is an organization that provides opportunities to learn more about issues that are not necessarily addressed in the classroom such as child abuse and school counseling. Another goal of CASE is to build up teacher education students in the body of Christ and give unity to the education program. To achieve this goal, CASE sponsors multicultural trips each year to Lincoln and Omaha, working with children in after-school and weekend classroom activities.
