COMPLETION INSTRUCTIONS

Catalog year:

Write the catalog year to be used to evaluate your academic program. In most cases this is the year that you started at Concordia.

Graduation date:

Concordia confers degrees in May, August, and December each year. Circle one of these choices and write the year you expect to graduate. You have one opportunity to participate in the annual May commencement ceremony. If you graduate in August or December you will usually participate in the ceremony following your graduation date.

Early participation in commencement: If you have 6 or fewer hours remaining (or starting DCE internship) you may ask to participate in the commencement ceremony prior to completing your degree. See the registrar for the early participation application form.

Degree sought and Majors:

You may earn more than one type of degree (BA-Bachelor of Arts, BS-Bachelor of Science, BSED-Bachelor of Science in Education, BFA-Bachelor of Fine Arts, or BMUS-Bachelor of Music). However you must complete an additional 30 semester hours for each additional degree. You may earn more than one major as long as the additional major(s) is/are available with the degree you will earn and the requirements for the major are completed.

Education majors are only available with the BSED.

- Elementary Education majors must have 1 concentration
- Middle Level Education must have 2 CTAs.
- Secondary Education must have one Field, or one Comprehensive Subject, or two Subjects

Liberal Arts majors: The available majors for BA or BS degrees are listed in the appropriate catalog.

BFA majors: BFA majors are Graphic Design, Studio Art, and K-12 Art Education.

BMUS majors: Parish Music-Organ or Voice, and K-12 Vocal/Instrumental Music Education are the main choices.

Minors:

Most minors are available with any degree/major and are awarded only with a major. A minor cannot be earned in the same field as a major. You may have more than one minor.

Other:

Check as appropriate.

DCE students pursuing a non-BSED degree must specify an emphasis area available in their catalog.

Add supplemental endorsements on the blank line.

Signatures:

You and your advisor must sign the form.

Pre-Seminary students are required to obtain the signature of the Director of the Pre-Seminary Program.

Return this completed form to the Office of the Registrar by the due date for your selected graduation date. This date is found on the online academic calendar. You will receive an email from the Associate Registrar confirming that the application has been received and the results of a degree requirements check.

Commencement Ceremony Fee:
