What are two things we could do better in the program to prepare you either for student teaching or for your first teaching position?

1.

2.

What are two things we did really well in the program to prepare you for student teaching or for your first teaching position?

1.

2.

If you did any student teaching in a Lutheran school tell us how you witnessed faith being integrated into your cooperating teacher's classroom and how you felt about that.

How did you personally witness your faith and integrate it into your classroom?

What did you experience out there in student teaching that surprised you?

Have you been contacted or interviewed for a position? Please list.

Have you designated or accepted a call? If so where?

Do you have to finish any course work to complete graduation requirements? Please list.

How can we best support you in the next year as you begin your teaching?

Check all that apply and add others if you'd like ...
