Department: History, Geography, Intercultural Studies, Modern Languages Date: 9/9/2022 Course: SPAN 101 Alternative Format(s) – select as many as are applicable: Dual Credit Select Select
Members (must include more than course instructor only) involved with the development of this Assessment Plan: Amy Royuk
Course Requirements: Course syllabi and credit hour calculators are collected by the Dual Credit Coordinator (Dual Credit Courses) and the respective Deans for other courses.
Student Outcome: 1. <i>What student outcome will be assessed? Use of present-tense verbs</i> 2. State as follows: Students should be able to [action verb] [something]. Students should be able to conjugate verbs in the present tense for a variety of subject (I, you, he/she, we, they) and to use them to communicate about a variety of topics.
Question: <i>What specific question(s) are you attempting to answer through assessing this student outcome? (What are you trying to find out? There may be more than one question, but no more than three.)</i> Can students effectively use present-tense verbs to communicate about a variety of topics?
Methodology 1. Student Outcome - OBJECT* a. <i>What student artifact from the traditional course will be used to assess the outcome?</i> Written Quiz i. <i>How will the artifact be collected?</i> Quiz will be administered during a regular class session at some point during the course. b. <i>What student artifact from the alternative course(s) will be used to assess the outcome?</i> Written Quiz i. <i>How will the artifact be collected?</i> Quiz will be administered by the classroom teacher at some point during the course.
Analysis of Artifacts: 1) Student Outcome: PERFORMANCE CRITERIA* a. <i>How will the artifacts be analyzed (attach rubrics/scoring tools if used):</i> i. Traditional course: Verbs will be assessed for accuracy (both meaning as well as form) ii. Alternative course(s) (note SAME if the same as the traditional course): SAME 2) COMPARABILITY - How you will determine if the outcomes of the two are comparable? (For example – there will not be a statistically significant difference among the mean final exam scores). Both on-campus students as well as dual-credit students will take the same assessment and will be scored using the same criteria. The scores will be directly compared to ensure that the dual-credit students are able to demonstrate competence at least as well as the on-campus students.
