

COULD GOD BE CALLING YOU TO GO?

A degree in Education opens unique doors around the world for building relationships and sharing the Gospel! Almost nothing is as highly desired internationally as English education, and well-trained teachers who have a heart for God's Mission are beautifully positioned to help students learn and grow, not only academically – but spiritually and for eternity!

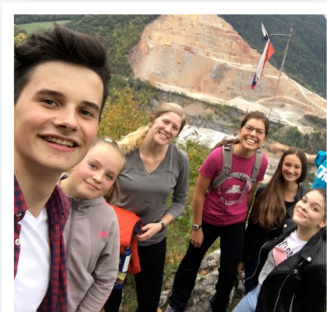

Mission of Christ Network is passionate about **equipping and sending baptized Christians** into God's Mission around the world to **serve in partnership** with local schools, churches, and other organizations. Many of our mission partners serve in teaching roles, in a wide variety of settings.

- Some are teaching local students in [Hungary](#), [Slovakia](#), [Taiwan](#), and [Hong Kong](#).
- Some are teaching students from all over the world in international schools in [Ukraine](#), [Senegal](#), and the [Philippines](#).
- Some are teaching adults in [Germany](#) or children and communities in [Costa Rica](#) and [Cambodia](#).
- Some teach in classrooms, some teach in centers or in churches, and some tutor in homes.
- They teach subjects like ESL, science, music, Bible, or special education.

But what unites all of them is a love for people and a love for Jesus. That's what led them to spend 2+ years teaching overseas as an MCN Mission Partner. Each and every day they are engaged in **intentionally proclaiming the Gospel** to thousands of people who don't yet know their Savior!
