

# COULD GOD BE CALLING YOU TO GO?

**God's Mission** is not just a calling for select church workers . . . it's God's calling for all believers!

**God's Mission** doesn't depend on you . . . It all depends on God and it happens in partnership with other believers!

**God's Mission** doesn't just happen inside a church building . . . It happens in schools and tea shops, restaurants and sports fields.

**God's Mission** isn't just for some people . . . His mission is for all people – those who've never heard the name of Jesus, those living in post-Christian cultures, and those living as foreigners and expatriates, caught between cultures.

Mission of Christ Network is passionate about **equipping and sending baptized Christians** into God's Mission around the world to serve in partnership with local schools, churches, and other organizations.

Our mission partners build relationships through teaching, tutoring, community service, and everyday friendships.

They live in mega-cities and small towns and rural communities. They have degrees in education, math, science, theology, and music. But what unites all of them is a love for people and a love for Jesus. Each and every day they are engaged in **intentionally proclaiming the Gospel** to thousands of people who don't yet know their Savior.
