Voice Mail Instructions

To access your mailbox from your desk phone, dial 7200 and then press #, your password and #. (From off campus dial 643-7200 or 800-535-5494, 9, 7200; you will need to dial your ext. and # before your password and #).

To change your message, once in your mailbox, dial 8 (answering options) **and then 1** (personal greetings) **and then follow the prompts.**

To change your password, once in your mailbox, dial 9 (mailbox options) **and then 3** (change password) **and then follow the prompts.**

To transfer a call, press the Transfer key and dial number. You may stay on the line and announce the call or hang up.

To conference call, after the first party is on the line, press Transfer key and dial second number. Once the second party has answered, press the transfer key again to connect everyone. You may conference up to eight people, and you may conference both on- and off-campus numbers.
